"	12-15"	1.85	1.60

.10 per plant additional for burlap.

CAMELLIAS

CAMELLIA SASANQUA FALL AND WINTER FLOWERING

Here we have a beautiful shrub which is rapidly taking its place in the garden. The individual flowers are charming and varied in form and shape; some are single, some are double and semi-double. The informality of the plant makes it a first class subject for foundation plantings and hedges.

As far as hardiness is concerned we know of plants in the Philadelphia suburbs, Long Island and Connecticut which have stood the winter for over four years.

The plants we are offering are pot grown in our nursery in Virginia for over two years and should prove hardier than southern grown.

STANDARD VARIETIES

APPLE BLOSSOM—White flushed pink. 4" Cloverset pots only.

CLEOPATRA—Rose pink, semi-double.

COVINGTON—White flushed rose, single.

HINO-DE-GUMO—White flush rose, single.

MAIDEN'S BLUSH—Delicate pink single 4" Cloverset pots only.

PAPAVER—Soft pink. Large bell shaped, single.

ROSEA—Deep rose pink, single.

SETSUGEKKA—Large white, semi-double.

SNOW ON THE MOUNTAIN—White large, peony form. Double. 2½" pots only.
